A conference for
Applied Arts students of Karnataka

About Art Matters

ART MATTERS is a forum dreamt and created by art lovers and aspirants to promote art in the best exquisite form. It is a platform to connect young artists with ideas, inspiration, resources and also allow exchange of talent. The forum aims in providing an opportunity to the young artists to enhance their caliber, exhibit their talents and pave a connecting link to interact with celebrated artists, curators, art historians, art critics and other fraternity of art (all forms). Conception of Art, its expression and theories of art experience have been changing through the times. Art matters believe in the concept of further upgrading artistic skills and refining talent with much exposure to the emerging trends, platforms and media. The art matters aims at encouraging young artists to scale success in their professional field and also enthuse a feeling of social responsibility and contribute their bit in nation building through art.

About the event

We at Art Matters, are very happy to organise an exclusive workshop based on applied art to the aspiring DIGITAL designers/artists here in Karnataka under one roof.

We provide you with an exclusive opportunity to enhance your skills, technique, creativity & to update yourself with the current market trends along with other aspiring designers, coached by the best personals in their respective design field.
